

Announcement of Superintendent Vacancy

The Board of Education of Northbrook/Glenview School District 30, Northbrook, Illinois, announces the commencement of a search for a dynamic new Superintendent of Schools to assume responsibilities beginning on July 1, 2023. This vacancy is the result of the retirement of current Superintendent Dr. Brian Wegley on June 30, 2023.

Leaders interested in this outstanding professional opportunity should be highly qualified and experienced educational leaders prepared to collaboratively set the District's strategic direction, drive continuous improvements efforts, and to work with a diverse and supportive community, staff and Board of Education.

Northbrook/Glenview School District 30 is located in the highly desirable North Shore suburbs of Chicago, approximately 20 miles from downtown. District 30 serves students from parts of the communities of Glenview and Northbrook, IL and matriculates students to the highly regarded Glenbrook North and Glenbrook South High Schools in Glenbrook District 225.

The district includes two newly updated elementary schools and a beautiful, state of the art, recently constructed middle school. The PreK-8 student population of 1,200 is characterized by engaged learners, high academic achievement, dedicated staff and involved families.

The District proudly offers numerous programs to support the academic and social emotional needs of all students. Students in District 30 are supported by a devoted staff of 140 certified staff and numerous support personnel; a strong, experienced, administrative team; and a dedicated Board of Education. Employees and residents consider District 30 to be a premiere school system to both work and/or live. Parents have high expectations and serve as educational partners, and community members are supportive of their local school system. The District 30 community takes great pride in its schools and is looking for a Superintendent who will continue to systemically lead the district to new heights, build upon strong connections within the District and enhance partnerships throughout the larger community.
